

Community Service Bar

Girl Scout Cadettes, Seniors, & Ambassadors

After receiving approval, complete a minimum of 20 hours to receive the Community Service Bar. Log your hours here and return this page to your leader/mentor upon completion. All hours must be completed with the same organization and within your current program level.

Your service hours for the Community Service Bar must be separate from those hours you use for other awards. Each bar represents a new project, and can only be earned once per program level.

Once you have completed your hours, you may purchase the Community Service Bar for your program grade level from River Valleys Council Shops.
